ProForce Law Enforcement is appointed “Defense Technology” for the State of California.

Immediate Release
June 2011

PRESCOTT, ARIZONA – ProForce Law Enforcement is pleased to announce that it has been appointed as a Law Enforcement distributor for “Defense Technology” in the State of California.

Defense Technology, has a long history of advancing the frontiers of technology and providing the world’s finest and most comprehensive range of less-lethal solutions. From single target acquisition to crowd management, Defense Technology has developed a variety of products and training resources that together represent a total range of solutions.

“We are very pleased to be able to offer the Defense Technology less-lethal product line to our customers in California,” stated Tim Mulder, President of ProForce. “Less-lethal products are an integral part of the extensive selection of law enforcement equipment and accessories we bring to the law enforcement community” he added. “We will be offering items from the Duty Aerosol, First Response, Crowd Management and the Tactical Deployment line-up from Defense Technology.”

ProForce Law Enforcement has operations in Prescott, Arizona and Brea, California, along with traveling law enforcement agency sales representatives throughout the Western United States.

ProForce's website is open for the convenience of its customers to purchase 24 hours a day, 7 days a week. The company features an excellent selection of quality products from top manufacturers such as SAFARILAND, GLOCK, TASER, REMINGTON, BERETTA, COLT, BUSHMASTER, SMITH & WESSON, H&K, SUREFIRE, RUGER, EOTECH, BENELLI, BIANCHI, SIG SAUER, BLACKHAWK, UNCLE MIKES, DEFENSE TECHNOLOGY, FNH USA, OTIS, AIMPOINT, KIMBER, HOGUE, KEL-TEC, STREAMLIGHT, LEUPOLD, KERSHAW, MOSSBERG, MAGPUL, VORTEX OPTICS, UNDER ARMOUR, US PEACEKEEPER AND SPRINGFIELD ARMORY.
