## **ProForce Law Enforcement Appointed Exclusive Rights for TASER Sales In Idaho, Montana & Washington**

PRESCOTT, ARIZONA – ProForce Law Enforcement is pleased to announce that it has entered into an exclusive distribution agreement with TASER® International, Inc. (Nasdaq: TADR) for law enforcement sales in the states of Washington, Idaho and Montana. TASER International provides advanced electronic control devices for use in the law enforcement, military, private security and personal defense markets.

TASER has become the unquestioned market leader in non-lethal devices for law enforcement use. In the past 10 years, the studies and reviews of actual field uses by local law enforcement agencies as well as reviews by governmental agencies have revealed compelling statistics indicating significant drops in injuries to officers and suspects at agencies that deploy TASER ECDs. As a result, more and more law enforcement professionals and departments are employing them as a required duty sidearm.

“We are anxious and pleased to be able to now offer this great line of non-lethal products to the law enforcement communities of Idaho, Montana and Washington,” stated Tim Mulder, President of ProForce. “The TASER line is an integral part of our extensive selection of law enforcement firearms and duty gear,” he added. “We offer the entire TASER line including the M26, X26, accessory items such as TASER cam, holsters, X-Rail mounting system, battery systems, cartridges and more.”

ProForce Law Enforcement with operations in Prescott, Arizona and Brea, California is a major supplier of law enforcement firearms and duty gear. The company features an excellent selection from top manufacturers such as Aimpoint, Beretta, Colt, Bianchi, Bushmaster, EOTech, Hatch, H&K, Kimber, Leupold, Mossberg, Remington, Ruger, Safariland, Springfield Armory and Taser International. For information about ProForce or its products please call (800) 367-5855 or e-mail [sales@lawgun.com](mailto:sales@lawgun.com).
